Instructions on Fundraising Sunsational SPF Clear Sunscreen

We make it very simple and easy to save you time and effort

1. Corporate/School or Group order form = For Organiser to purchase from Sunsational
2. Student/Volunteer Take Home order form, to give out = For Student/Volunteers

• *Organiser:*

All you do, is to give out copies of the order form (2) to the students/volunteers; with or without the tubes of Sunsational sun care.

• *Students/Volunteers:*

They then take the form home and go out and about asking friends, families, co-workers, even shops to help and purchase a tube or tubes of Sunsational Sunscreen.

Students/Volunteers write down their details, take the money and come back to you with the form and payment.

• *School/Group-Organiser:*

Students/Volunteers hand you the order form (2) with the money/cheques, you total up the quantity required and fax to us your requirements/order form (1), and deposit the money after we have contacted you.

• *Sunsational Sun Care:*

We will fax/email confirmation and any requests, once you deposit payment the goods will be delivered within 3-6 working days or next day depending on area.

We just make it SIMPLE and EASY and give you our profit to make your fundraiser successful. Please contact me direct for any suggestions or help of any kind.

“All the best”

Geoff
